**PROXY STATEMENT
2017 Annual Meeting of Stockholders**

April 28, 2017

This proxy statement contains information relating to the 2017 annual meeting (the "annual meeting" or "meeting") of stockholders of OHA Investment Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), to be held on June 6, 2017 beginning at 12:00 noon, Eastern time, at the law office of Eversheds Sutherland (US) LLP, located at The Grace Building, 1114 Avenue of the Americas, 40th Floor, New York, New York 10036, and any postponements or adjournments thereof, and is furnished in connection with the solicitation of proxies by our Board of Directors to be voted at the annual meeting. This proxy statement and accompanying proxy card are first being mailed to stockholders on or about May 1, 2017.

We encourage you to vote your shares, either by voting in person at the meeting or by authorizing a proxy (*i.e.*, authorizing someone to vote your shares). You may authorize a proxy by telephone by marking, dating, signing and mailing the enclosed proxy card or using the voting options described on the proxy card or voting instruction form. If you receive more than one proxy or voting instruction card, it means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

This Proxy Statement is also available at www.ohainvestmentcorporation.com under the "Investor Relations" tab. This website also includes copies of the form of Proxy Card and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016. If you vote by authorizing a proxy, the proxy holders will vote the shares according to your instructions. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted "FOR" the election of the director nominees and "FOR" the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.** If you have any questions regarding the proxy materials, please contact our solicitor, AST Fund Solutions LLC, at (800) 499-8410.

Purpose of Meeting

At our annual meeting, stockholders will be asked to consider and vote upon (i) the election of one Class I director to serve until the 2020 annual meeting of stockholders and until his successor is duly elected and qualifies; and (ii) the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

The Board of Directors is not aware of any matter to be properly presented for consideration at the annual meeting other than the matters set forth herein. If any motion properly presented at the meeting requiring a vote of stockholders arises, the persons named as proxies will vote on such matter in accordance with their discretion. The stockholders of the Company have no dissenter's or appraisal rights in connection with any of the proposals described herein.

Record Date and Quorum

Only stockholders of record at the close of business on April 14, 2017, the record date for the annual meeting ("Record Date"), are entitled to receive notice of and to vote at the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you owned of record on that date at the annual meeting and at any postponements or adjournments thereof. There were 20,172,392 shares of our common stock outstanding on the Record Date. Each share of common stock entitles the holder thereof to one vote.

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of holders of shares of stock entitled to cast a majority of the votes entitled to be cast will constitute a quorum. If a quorum is not present at the annual meeting, the chairman of the meeting or the stockholders who are represented may adjourn the annual meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit further solicitation of proxies.

Votes Required to Adopt the Proposals

Election of Directors. The election of a director requires the vote of a majority of the shares of stock outstanding and entitled to vote thereon. Stockholders may not cumulate their votes.

Ratification of Selection of Ernst & Young LLP as Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2017. The ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 requires the affirmative vote of a majority of the votes cast on the proposal at the meeting.

Submitting Voting Instructions for Shares Held Through a Broker

If you are not a stockholder of record but instead hold your shares of common stock in "street name" (that is, as a beneficial owner, through a broker, bank or other nominee who is the stockholder of record of those shares), you must provide your broker, bank or other nominee with specific voting instructions in order to authorize the nominee to vote your shares for the election of directors. Your nominee will not be permitted to vote your shares for the election of directors unless you provide such voting instructions, as discussed further below.

If you hold shares beneficially in "street name," you may only vote them in person if the stockholder of record (i.e., your broker, bank or other nominee) grants you a signed proxy authorizing you to vote the shares. In addition, if you attend the annual meeting in person, you will need to bring a copy of a brokerage statement reflecting your beneficial ownership as of the close of business on the record date.

Broker Non-Votes and Abstentions

Broker non-votes are votes that are not cast by a broker, bank or other nominee on a non-routine matter because the shares entitled to cast the vote are held in street name, the nominee has not received voting instructions from the beneficial owner, and the nominee does not have discretionary authority to vote the shares. Under the rules of the New York Stock Exchange, your brokerage firm or other nominee that is subject to such rules does not have discretion to vote your shares on non-routine matters such as Proposal 1. As a result, while broker non-votes will be treated as shares present for quorum purposes, broker non-votes will have the same effect as votes against Proposal 1. **For this reason, it is imperative that you vote or provide instructions to your broker, bank or other nominee as to how to vote with respect to Proposal 1. If you hold your shares in your own name and you do not authorize a proxy by returning a proxy card or voting via the options described on the proxy card, or you do not vote at the meeting, no vote will be cast on your behalf in the director election, which will have the effect of a vote against the director nominee.** Proposal 2 is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker, bank or other nominee with proxy instructions, by returning a proxy card or by other arrangement with your broker or other nominee, your broker or other nominee will be able to vote your shares for you on this routine matter.

With respect to Proposal 1, if you vote to "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by the vote of a majority of the shares of common stock outstanding and entitled to vote thereon, votes to "Withhold Authority" will have the effect of a vote against a nominee. With respect to Proposal 2, abstentions will not be counted as votes cast and will therefore have no effect on Proposal 2.

Revoking Your Proxy

Whether you vote in person, by mail, by telephone or via the Internet, you may revoke or change your proxy instructions at any time prior to the vote at the annual meeting. You may accomplish this by (i) submitting a properly executed, later-dated proxy, which automatically revokes the earlier proxy instructions, (ii) delivering written notice of revocation prior to the annual meeting to our Corporate Secretary at 1114 Avenue of the Americas, 27th Floor, New York, New York 10036, or (iii) attending the annual meeting and voting in person. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request or vote in person at the annual meeting.

Information Regarding this Solicitation

The cost of soliciting proxies for the annual meeting will be borne by us. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of stock held in the name of such nominees. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our common stock.

The Company has engaged the services of AST Fund Solutions LLC ("AST") for the purpose of assisting in the solicitation of proxies (including broker search and delivery services) at a cost of approximately \$2,500 plus reimbursement of certain expenses and fees for additional services requested. Please note that AST may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares but only ask that you take the time to cast a vote. You may be asked if you would like to vote over the phone and have your vote transmitted to our proxy tabulation firm. Our officers and

regular employees of our investment adviser and administrator, Oak Hill Advisors, L.P. ("OHA"), may also, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

A number of brokerage firms and other institutional holders of record have implemented "householding," which permits such firms to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders, unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise, or until you notify your broker that you revoke your consent to householding. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. If you would like a separate copy of the proxy statement, you can notify us by sending a written request to: Corporate Secretary, OHA Investment Corporation, 1114 Avenue of the Americas, 27th Floor, New York, New York 10036, or by calling (212) 852-1900.

The number of shares beneficially owned by each entity, person, director or executive officer is determined under the rules of the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the individual has the sole or shared voting power or investment power and also any shares that the individual has the right to acquire within 60 days of April 14, 2017, through the exercise of any stock option or other right. PROPOSAL 1 — ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of the Board of Directors. Our charter provides that we will have five directors, which number may be increased or decreased only by the Board of Directors pursuant to our bylaws. The Board of Directors currently has five directors, including three directors who are not “interested persons” as defined in the 1940 Act and who serve as our independent directors.

The Board of Directors is divided into three classes, which we refer to as Class I, Class II and Class III directors. The term of our Class I director, Mr. James A. Stern, expires at the 2017 annual meeting of our stockholders. The term of our Class II directors, Mr. Alan M. Schrage and Mr. Frank V. Tannura, expires at the 2018 annual meeting of our stockholders. The term of our Class III directors, Mr. Glenn R. August and Mr. Stuart I. Oran, expires at the 2019 annual meeting of our stockholders. At

each annual meeting of stockholders, a class of directors is elected for a term expiring at the annual meeting in the third year following the year of election. Each director holds office until his successor is elected and qualified.

Mr. Stern has been nominated by the Board of Directors for re-election to hold office until the 2020 annual meeting of our stockholders and until his successor is duly elected and qualifies. In the election of a director, you may vote "FOR" the nominee or your vote may be "WITHHELD" with respect to the nominee. If you authorize your proxy to vote your shares but do not provide voting instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. The nominee has consented to serve if elected. The nominee is not being nominated to serve as a director pursuant to any agreement or understanding between him and the Company. As of the mailing of these proxy materials, the Board of Directors knows of no reason why he would be unable to serve as a member of the Board of Directors. If, at the time of the annual meeting, he is unable or unwilling to serve as a director, it is intended that the persons named as proxies will vote to elect a substitute nominee designated by the Board of Directors.

Recommendation of the Board of Directors

The Board of Directors recommends that each stockholder vote "FOR" the election of Mr. James A. Stern as Class I director.

Board of Directors and Its Leadership Structure

The Board of Directors provides overall guidance and supervision with respect to our operations and performs the various responsibilities imposed on the directors of business development companies by the 1940 Act. Among other things, the Board of Directors supervises our management arrangements, the custodial arrangements with respect to portfolio securities, the selection of accountants, fidelity bonding and transactions with affiliates. All actions taken by the Board of Directors are taken by majority vote unless a higher percentage is required by law or unless the 1940 Act or our charter or bylaws require that the actions be approved by a majority of the directors who are not "interested persons" (as defined in the 1940 Act).

We separate the roles of Chief Executive Officer and Chairman of the Board of Directors in recognition of the differences between the two roles. Our Chief Executive Officer is responsible for the day to day operation of the Company, while the Chairman of the Board of Directors provides guidance to the Chief Executive Officer, sets the agenda for Board of Directors meetings and presides over meetings of the Board of Directors. Presently, Mr. August serves as the Chairman of the Board of Directors. Mr. August is an "interested person" as defined in Section 2(a)(19) of the 1940 Act because he is the Chief Executive Officer and Co-Founder of OHA, which is the investment advisor and administrator of the Company. Our Board does not currently have a designated lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of Audit and Nominating and Corporate Governance Committees comprised solely of independent directors and the appointment of a chief compliance officer, with whom the independent directors meet with in executive session, for administering our compliance policies and procedures.

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, and it may establish additional committees from time to time as necessary. The scope and responsibilities assigned to each of these committees is discussed in greater detail below.

Risk Oversight. The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operational risks, as well as other types of risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's investment advisory agreement. The Audit Committee oversees management of financial risks.

The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

Board Meetings. During 2016, the Board of Directors met seven times. Each director attended at least 75% of all meetings held by the Board of Directors and of the committees of the Board of Directors on which he served. One of our directors attended the 2016 annual meeting of stockholders, which was held on June 7, 2016.

Board Committees. The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The members of the Board of Directors on the date of this proxy statement and the committees of the Board of Directors on which they serve, are identified below.

Audit Committee. The charter of the Audit Committee sets forth the responsibilities of the Audit Committee, which include, among other things, selecting or retaining each year an independent registered public accounting firm, which we refer to as the auditors, to audit our accounts and records; reviewing and discussing with management and the auditors our annual audited financial statements, including disclosures made in management's discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in our annual report on Form 10-K; reviewing and discussing with management and the auditors our quarterly financial statements prior to the filings of our quarterly reports on Form 10-Q; pre-approving the auditors' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors.

Each member of the Audit Committee is independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements and is able to read and understand fundamental financial statements, including the statement of net assets, statement of operations, statement of changes in net assets and statement of cash flows. No member of the Audit Committee has participated in the preparation of the financial statements at any time during the past three years. The Audit Committee also aids the Board of Directors in estimating the fair values of securities that are not publicly traded or for which current market valuations are not readily available. Mr. Tannura, the chair of the Audit Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations, and the Board of Directors has determined that he has past experience in finance or accounting that results in his financial sophistication within the meaning of the Nasdaq Global Select Market qualitative listing requirements. The charter of the Audit Committee is available on our website (www.ohainvestmentcorporation.com). Information contained on or connected to our website is not incorporated by reference into this proxy statement and should not be considered a part of this proxy statement or any other filing that we file with the SEC. The Audit Committee met four times during 2016.

Compensation Committee. The charter of the Compensation Committee sets forth the responsibilities of the Compensation Committee, which include reviewing and approving the performance goals and objectives relative to the compensation of our investment advisor or, if we cease to have a separate investment advisor and directly compensate our executive officers, the compensation of our executive officers relative to other executive officers, evaluating the performance of our chief executive officer and our investment advisor and, together with the independent directors, determining and approving the compensation of our investment advisor based on the Compensation Committee's evaluation of the investment advisor. All members of the Compensation Committee are independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements. The charter of the Compensation Committee is available on our website (www.ohainvestmentcorporation.com). Information contained on or connected to our website is not incorporated by reference into this proxy statement and should not be considered a part of this proxy statement or any other filing that we file with the SEC. The Compensation Committee met two times during 2016.

Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee sets forth the responsibilities of the Nominating and Corporate Governance Committee, which include, among other things, considering and making recommendations to the Board of Directors concerning the appropriate size, function and needs of the Board of Directors, developing and recommending policies and practices relating to corporate governance, and considering questions related to conflicts of interests of members of the Board of Directors and senior executives of the Company. The Nominating and Corporate Governance Committee selects individuals for nomination to the Board of Directors. In addition, the Nominating and Corporate Governance Committee develops and reviews background information on candidates for the Board of Directors and makes recommendations to the Board of Directors regarding such candidates. The Nominating and Corporate Governance Committee also prepares and supervises the Board of Directors' annual review of director independence. The Nominating and Corporate Governance Committee also reviews and may make recommendations to the Board of Directors relating to those issues that pertain to the effectiveness of the Board of Directors in carrying out its responsibilities in governing us and overseeing our management. All of the members of the Nominating and Corporate Governance Committee are independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements. No member of the Nominating and Corporate Governance Committee is an "interested person" as defined in the 1940 Act. The charter of the Nominating and Corporate Governance Committee is available on our website (www.ohainvestmentcorporation.com). Information contained on or connected to our website is not incorporated by reference into this proxy statement and should not be considered a part of this proxy statement or any other filing that we file with the SEC. The Nominating and Corporate Governance Committee met two times during 2016.

The Nominating and Corporate Governance Committee considers candidates for membership to the Board of Directors suggested by its members and other members of the Board of Directors, as well as management and stockholders. A stockholder who wishes to recommend a prospective nominee for the Board of Directors should notify our Corporate Secretary in writing in care of OHA Investment Corporation, Attention: Corporate Secretary, 1114 Avenue of the Americas, 27th Floor, New York, New York 10036 in compliance with the advance notice provisions of our bylaws, which set forth specific requirement as to the content of the notice. Such provisions require stockholder notice to be given not earlier than the 150th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. This notice must contain, as to each nominee, all of the information related to such person as would be required to be disclosed in a proxy statement meeting the requirements of Regulation 14A under the Exchange Act, and certain other information set forth in the bylaws. Nominees for director who are recommended by stockholders will be evaluated in the same manner as any other nominee for director.

The Board of Directors believes that it is necessary for each of the Company's directors to possess many qualities and skills. When searching for new candidates, the Nominating and Corporate Governance Committee considers the evolving needs of the Board of Directors and searches for candidates that fill any current or anticipated future gap. The Board of Directors also believes that all directors must possess a considerable amount of business management (such as experience as a chief executive officer or chief financial officer) and educational experience. The Nominating and Corporate Governance Committee first considers a candidate's management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing stockholder value when considering director candidates. The Nominating and Corporate Governance Committee also focuses on issues of diversity, such as diversity of gender, race and national origin, education, professional experience and differences in viewpoints and skills. The Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity; however, the Board of Directors and the Nominating and Corporate Governance Committee believe that it is essential that the members of the Board of Directors represent diverse viewpoints. In considering

candidates for the Board of Directors, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing directors for re-election, the individual's contributions to the Board of Directors are also considered.

The Nominating and Corporate Governance Committee believes a prospective nominee for director should, at a minimum, satisfy the following standards and qualifications and evaluates prospective nominees accordingly:

- be an individual of the highest character and integrity and have an inquiring mind, vision, a willingness to ask hard questions and the ability to work well with others;
- be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;
- be willing and able to devote sufficient time to the affairs of the Company and be diligent in fulfilling the responsibilities of a member of the Board of Directors and a member of any committees thereof (including developing and maintaining sufficient knowledge of the Company and the specialty finance industry in general; reviewing and analyzing reports and other information important to responsibilities of the Board and any committee thereof; preparing for, attending and participating in meetings of the Board of Directors and meetings of any committee thereof; and satisfying appropriate orientation and continuing education guidelines); and
- have the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a whole and not primarily a special interest group or constituency.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board of Directors, the balance of management and independent directors and the need for Audit Committee expertise. After completing its evaluation, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board of Directors determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Independent Directors

NASDAQ corporate governance rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ corporate governance rules, in order for a director to be deemed independent, the Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his responsibilities. On an annual basis, each director is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance rules, the 1940 Act and applicable corporate governance guidelines. The Board has determined that each of its directors,

other than Messrs. August and Schrage, is independent under the applicable listing standards of the NASDAQ Global Select Market and under the Exchange Act and the 1940 Act.

Certain Relationships and Related Transactions

Investment Advisory and Administration Agreements

We are party to an investment advisory agreement and an administration agreement with our investment advisor and administrator, OHA. OHA manages our investments and business pursuant to the investment advisory agreement. For providing these services, OHA receives a fee from the Company consisting of two components: a base management fee and an incentive fee. For the fiscal year ended December 31, 2016, OHA earned a base management fee of approximately \$2,939,000 and an incentive fee of approximately \$281,000. As administrator, OHA provides us with administrative services necessary to conduct our day-to-day operations. Payments under the administration agreement are equal to our allocable portion of OHA's overhead in performing its obligations under the administration agreement, including all administrative services necessary for our operation and the conduct of our business. For the fiscal year ended December 31, 2016, OHA was reimbursed \$1,858,000 by the Company for the services described above.

The address of our investment advisor and administrator is 1114 Avenue of the Americas, 27th Floor, New York, New York 10036. Two of our current directors, Messrs. August and Schrage, have direct and indirect ownership interests in our investment advisor.

Indemnity Agreements

We have entered into indemnity agreements with certain executive officers and directors which provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines, liabilities, losses, penalties, excise taxes and amounts paid in settlement that he or she may be required to pay in actions or proceedings to which he or she is or may be made a party by reason of his or her position as a director or officer, and otherwise to the fullest extent permitted under Maryland law and our charter and bylaws. In addition, the investment advisory agreement provides that, absent willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, our investment advisor, its partners and our advisors' and its partners' respective officers, advisors, partners, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from us for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising out of or otherwise based upon any of our investment advisor's duties or obligations under the investment advisory agreement or otherwise as our investment advisor.

Review, Approval or Ratification of Transactions with Related Persons

Our independent directors are required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Information about the Audit Committee and the Principal Accountant

The following report of the Audit Committee of the Board of Directors does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, as amended, the Exchange Act, or the 1940 Act, except to the extent that we specifically incorporate this report by reference therein.

Report of the Audit Committee

The Audit Committee of the Board of Directors is responsible for the selection and engagement of the Company's independent auditors, the review and pre-approval of both the audit and non-audit work of the Company's independent public accountants, the review of the Company's compliance with regulations of the Securities and Exchange Commission, which we refer to as the SEC, and the Internal Revenue Service and other related matters. The Company adopted an Audit Committee Charter on September 30, 2014. The full text of the Audit Committee's current charter is available on the Company's website (www.ohainvestmentcorporation.com). Information contained on or connected to the Company's website is not incorporated by reference into this proxy statement and should not be considered a part of this proxy statement or any other filing that we file with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing. Members of the Audit Committee rely without independent verification on the information provided to them and on representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to below do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are prepared in accordance with generally accepted accounting principles.

The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its duties. The Audit Committee's meetings include, whenever appropriate, executive sessions with our independent auditor without the presence of management.

As part of its oversight of our financial statements, the Audit Committee reviews and discusses with both management and the Company's independent auditor all annual and quarterly financial statements prior to their issuance. During 2016, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussions with Ernst & Young LLP ("E&Y"), the Company's independent registered public accounting firm for the year ended December 31, 2016, of matters required to be disclosed pursuant to the Public Company Accounting Oversight Board's AU Section 380 (Communication with Audit Committees), including the quality of our accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with E&Y matters relating to E&Y's independence, including a review of audit and non-audit fees and reviewed the written disclosure and the letter from E&Y required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence. The Audit Committee also discussed with the Company's management and E&Y such other matters and received such assurance from them as the Audit Committee deemed appropriate.

Based on the review and discussions noted above, the Audit Committee recommended to the Board of Directors that the Board of Directors approve the inclusion of the Company's audited financial statements for the year ended December 31, 2016 in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, which was filed with the SEC on March 14, 2017.

Respectfully submitted by the Audit Committee of the Board,

Frank V. Tannura, Chairman
Stuart I. Oran
James A. Stern

Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees

The following table represents aggregate fees billed to us and to OHA for the fiscal years ended December 31, 2016 and 2015 by Ernst & Young LLP ("E&Y").

	Fiscal Year Ended December 31, 2016		Fiscal Year Ended December 31, 2015	
Audit Fees	\$	520,000	\$	520,000
Audit-related Fees		66,000		53,097
Tax Fees		63,494		63,820
All Other Fees		—		—
All Other Fees Billed to Advisor		45,040		206,100
Total Fees	\$	694,534	\$	843,017

Audit fees relate to fees and expenses billed by E&Y for the audit of our annual financial statements, audit of management's report on internal controls over financial reporting, review of our quarterly financial statements and review of registration statements filed with the SEC. Audit-related fees include fees billed for out-of-pocket expenses for audit-related services and for attest services that are not required by statute or regulation. Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. All other fees would relate to fees billed for products and services other than services described above. All other fees billed to OHA represent non-audit fees for tax services provided to OHA, our investment advisor and administrator, for federal and foreign tax compliance and other tax services.

All of the audit-related and tax services provided to us were pre-approved by the Audit Committee. E&Y did not provide any non-audit services to any entity controlling, controlled by or under common control with OHA that provides ongoing services to us. The Audit Committee has considered whether the provision of non-audit services by E&Y to us and to OHA is compatible with maintaining E&Y's independence in the conduct of its auditing functions.

The Audit Committee's procedure is to approve prior to commencement of the engagement or project all audit and permitted non-audit services (including the fees and terms thereof) to be performed by the independent auditor for us, for OHA on our behalf, and for any entity controlling, controlled by or under common control with OHA on our behalf, subject to the *de minimis* exception for non-audit services set forth in Rule 2-01(c)(7)(i)(C) of Regulation S-X that are approved by the Audit Committee before completion of the audit. In pre-approving all audit services and permitted non-audit services provided by the independent auditor, the Audit Committee or a delegated member must consider whether the provision of the permitted non-audit services is compatible with maintaining the independence of, and its status as, our independent auditor.

Certain services may not be provided to us by the independent auditor without jeopardizing the auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment advisor or investment banking services; legal services and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of our financial statements. These types of services include bookkeeping, financial information systems design and implementation, valuation services and internal audit outsourcing services.

**PROPOSAL 2 — RATIFICATION OF THE SELECTION OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected E&Y as the independent registered public accounting firm to audit our consolidated financial statements as of and for the fiscal year ending December 31, 2017 and our internal controls over financial reporting as of December 31, 2017, and the Audit Committee is submitting the selection of E&Y to the stockholders for ratification. E&Y has served as our independent registered public accounting firm since 2012 and also has provided certain tax and other audit-related services during that time.

Representatives of E&Y are expected to participate by phone at the annual meeting. Such representatives will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

In the proposal for the ratification of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2017, you may vote "FOR" or "AGAINST" the proposal, or you may "ABSTAIN" from voting on the proposal. If you authorize a proxy via Internet, telephone or mail with no further instructions, your shares will be voted in accordance with the recommendations of the Board of Directors.

If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain E&Y. Even if the selection is ratified, the Audit Committee may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors

The Board of Directors, based on the approval and the recommendation of the Audit Committee, recommends that each stockholder vote "FOR" the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.

OTHER MATTERS

The Board of Directors knows of no matters other than those listed in the Notice of Annual Meeting of Stockholders that are likely to come before the annual meeting. If, however, any other motion properly presented at the meeting requiring a vote of stockholders arises, the persons named as proxies will vote on such procedural matter in accordance with their discretion.

In the event that sufficient votes in favor of the proposals set forth in the Notice of the Annual meeting are not received by the time scheduled for the annual meeting, the chairman of the meeting or the individuals named as proxies may move for one or more adjournments of the meeting to permit further solicitation of proxies.

ANNUAL REPORT

Our financial statements are contained in the Company's Annual Report to Stockholders on Form 10-K for the fiscal year ended December 31, 2016, which is being provided to our stockholders concurrently herewith. Such report and the financial statements contained therein are not to be considered as a part of this soliciting material. Stockholders interested in submitting a proposal for inclusion in the proxy materials for the 2018 Annual Meeting, including the nomination of a director, must do so in writing to us at OHA Investment Corporation, Attention: Corporate Secretary, 1114 Avenue of the Americas, 27th Floor, New York, New York 10036 no later than January 1, 2018 to be eligible for inclusion in our proxy materials.
